What to Use Where?

Beyond the exact shade, your biggest interior paint choice used to be “Flat, eggshell, or gloss?” Here, the new breed of formulas for...

WOOD: HAVE IT YOUR WAY

Depending on what shape your wood furniture is in, you have two options: Enhance the grain with a stain, or cover shabby pieces with hide-it-all paint. Transform away!

STAIN IT

Rust-Oleum's new Ultimate Wood Stain (\$8 per quart) works with just one coat and needs only one hour to dry

PAINT IT

Durable with a high-gloss finish, Glidden's Trim & Door paint (\$18 per quart) comes in eight great hues
